

International
Partner Survey
Report:
Romania

Romania

Music as Therapy International has been delivering projects in Romania since 1998, making Romania the country where *Music as Therapy International* has worked the longest, and our Partners who participated in the survey span the lifetime of the charity's work.

Impact

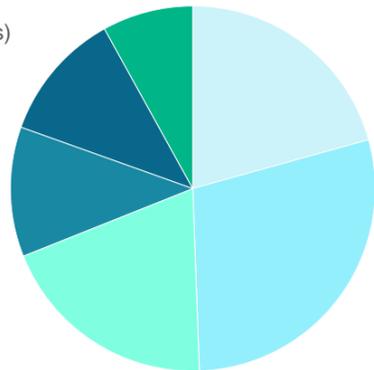

32 care settings across Romania are where our Partners who returned a completed survey are working.

2,688 vulnerable people have the opportunity to access the music sessions offered by our Romanian Partners who participated in the survey.

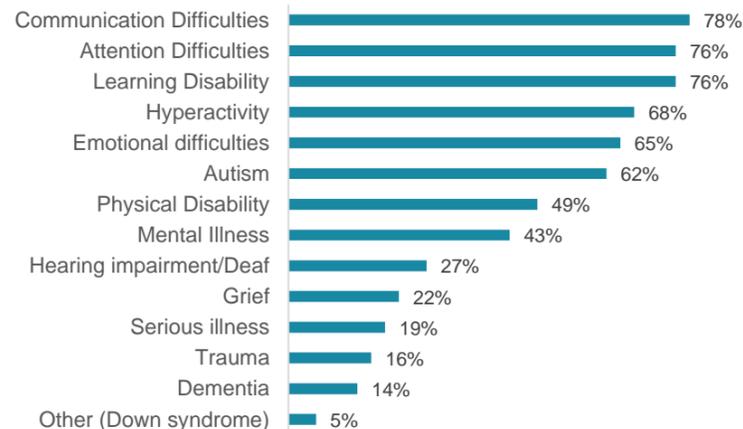

The vulnerable people our Partners work with

- Very Young Children (0-5 years)
- Young Children (6-12 years)
- Adolescents (13-19 years)
- Young Adults (20-25 years)
- Adults (26-65 years)
- Older People (66 years +)

The pie chart to the left represents the age groups of the vulnerable people who participate in the music sessions ran by our Romanian Partners.

The bar chart on the right shows the percentage of our Romanian Partners who are using music with the wide-ranging vulnerable people who have the various difficulties.

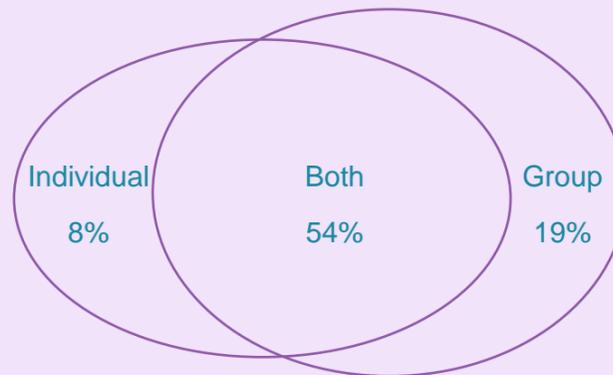

Music sessions

62% of our Romanian Partners who returned a completed questionnaire are regularly using music, whilst 27% occasionally use music. 30% of our Partners are running music sessions more than once a week, 35% are running sessions once a week and 19% are using music once a month.

68% of our Partners feel that music sessions are an important part of their work and 57% feel that the sessions are important to their care settings' timetable.

89% of our Romanian Partners have shown colleagues how to use music and 70% talk to colleagues or other people about using music.

The Venn diagram on the right displays the percentage of our Partners in Romania who are either using music with individuals and/or in groups.

Impact of Introductory Training project

Since our Romanian Partners' Introductory Training project:

97% of our Partners agree that what they have learnt has changed how they teach, work or provide care.

97% of our Partners have noticed that what they have learned has changed their practice more widely that just in music sessions.

95% of our Partners are proud of their music sessions.

92% of our Partners are more confident.

92% of our Partners have more responsibility now.

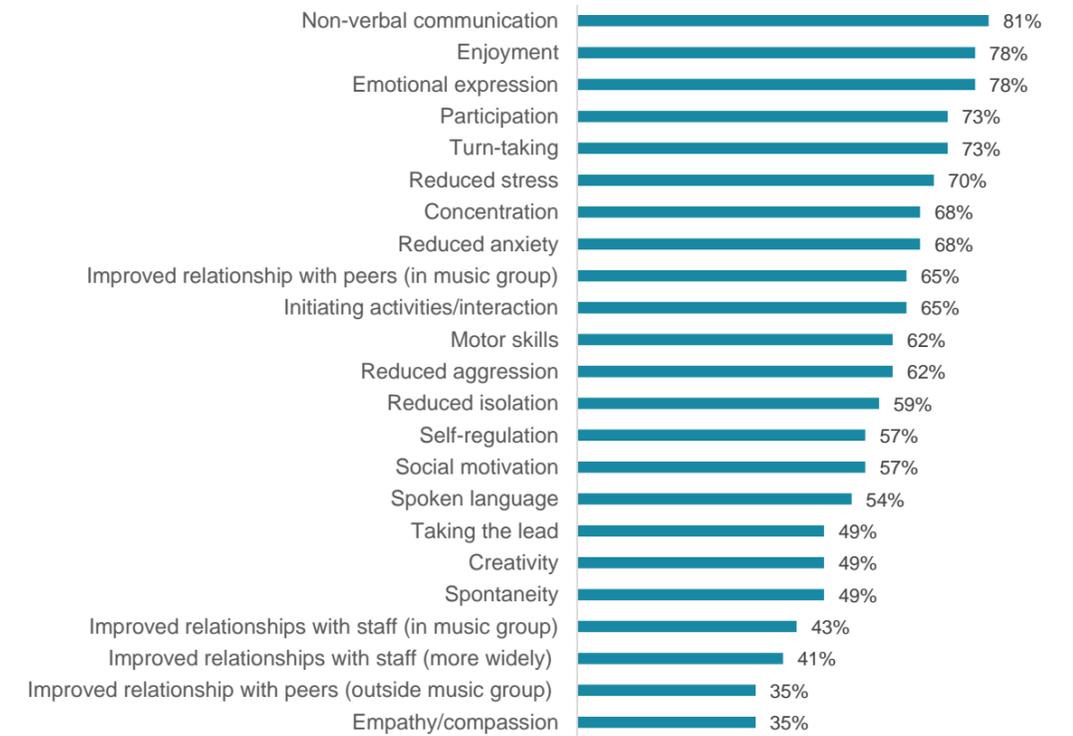

89% of our Partners are more committed to their work.

"Working with music has had an overwhelming importance in the evolution of my career."

(Centru de Educatie Inclusiva Nr. 1 Bacau, 2020)

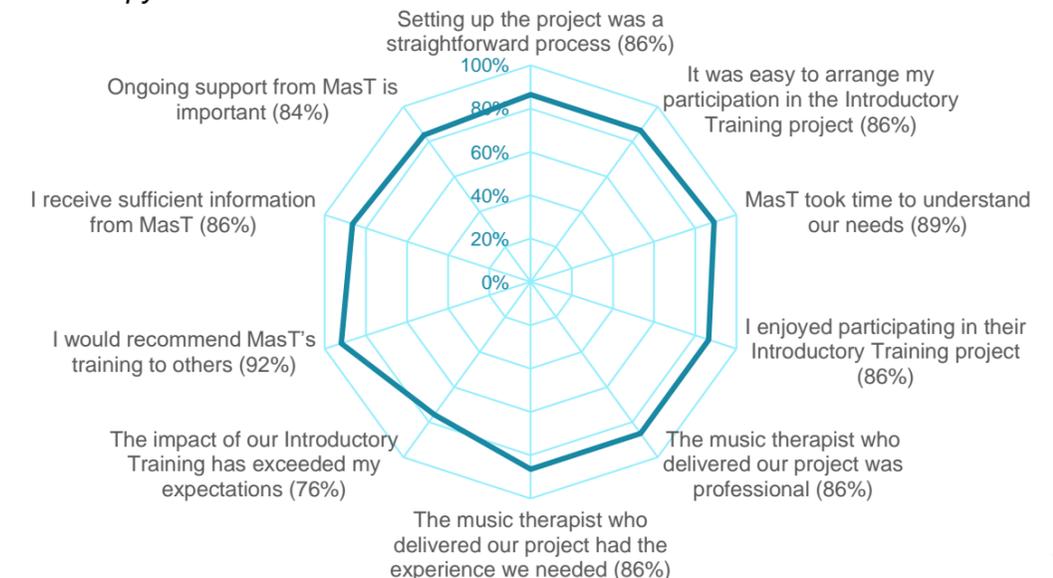

Impact of our Partners' music sessions
