

Our charity strategy

Our vision: To make music an integral part of care for vulnerable children and adults worldwide

- Provide Introductory Training to inspire new ways of working and caring using music
- Offer Sustainability Activities to support lasting change to care practice
- Seek Capacity Building opportunities for our Partners to work with us to extend the use of music to more vulnerable children and adults
- Pursue excellence in how we run the charity and the systems we develop to deliver our projects and achieve our goals
- Never lose sight of our Values:
 - Integrity
 - Sustainability
 - Partnership
 - Courage

UK Programme

Our goal: To empower caregivers in the UK to increase opportunities for vulnerable people to access music

- Extend the reach of our of our Introductory Training projects, continuing to prioritise young children under five, people living with dementia and adults with learning disabilities
- 2 Establish ourselves as a significant contributor to Tier 2 training for caregivers of people living with dementia
- Build relationships with organisations and influencers in the care sector to promote our offer and share good practice
- Share good practice to encourage innovative music therapy practice and engage music therapists to identify and contribute to Introductory Training projects
- 5. Ensure our activities are informed by understanding the priorities, challenges and contemporary practice within care
- Explore new ways to maintain and strengthen relationships with UK partners following Introductory Training

International Programme

Our goal: To empower caregivers overseas to increase opportunities for vulnerable people to access music

- Collaborate with partners overseas to design and deliver new music projects tailored to local needs
- Collect local perspectives to inform our activities and to strengthen our understanding of local practices
- Pursue sustainable impact through providing training, resources and support, and championing local pioneers
- Explore new technologies to facilitate and strengthen overseas activities
- Improve the infrastructure and processes we use for project coordination
- 6 Share good practice to inform global music therapy practice within international development

Behind the Scenes

Our goal: To strengthen the infrastructure needed to deliver our activities effectively and achieve excellence in governance

- Maximise on the potential of existing systems and seek new solutions to improve efficiency of data collection, project management and to strengthen our reporting
- 2. Review of our policies and compliance with these regularly
- Ensure we have the necessary expertise and enthusiasm within our Board of Trustees
- Provide opportunities for the personal and professional development of our team
- Limit our core costs to 25% of our expenditure

Fundraising

Our goal: To increase income generation to £250,000 per year by 2022 (and build reserves to hold a minimum of 6 months' running costs)

- Introduce a stewardship programme to nurture donor relations
- 2 Enhance performance tracking and analysis across all aspects of fundraising
- Increase fundraising capacity through delegation of responsibilities
- Improve the effectiveness of our external communications and raise our public profile
- **5** Diversify and develop our income streams:
 - Regular donors
 - Major donors
 - Trusts & foundations
 - Corporate sponsorship
 - Community fundraising
 - Legacy fundraising
